The shield layer in a coaxial cable is also called the screen layer or the conductive shield layer. It is common practice to reduce EMI due to a differential mode by forming a conductive shield layer in a shield conductor of a coaxial cable and connecting the shield conductor to a chassis or a shield case in an electronic apparatus. Conventionally, as the material of the shield layer of a

Mesa, Ariz. Call of Cthulhu: Dark Corners of the Earth (PC) review "And so the player begins a murder investigation in a remote Scottish fishing village. The mystery comes to a gruesome conclusion over the course of three more sprawling investigations." Call of Cthulhu: Dark Corners of the Earth is a PC action/adventure game based on the pen and paper RPG of the same name and created by indie developer Evil Hat Productions. Now, I have to confess that my experience of the pen and paper RPGs in general aren't the greatest, but I have no doubt that most of you who play them are familiar with their mechanics and won't mind me letting you know that you don't need to be a conspiracy theory fanatic to pick up on the clues of just who or what is behind the Whitechapel murders. The game opens by telling you that an English aristocrat is still alive and that this individual was presented to you as a statue at a museum in London back in 1891. The player is now tasked with identifying the man
